

In the United States District Court
Southern District of Texas
Houston Division

Mallard IP, LLC

v.

Civil Action No. 4:21-cv-04207

Systel, Inc.

Joint Motion to Stay Proceedings

1. Mallard IP, LLC has sued Systel, Inc., asserting patent infringement.
2. Systel's answer is currently due on February 25, 2022, and the Court has set an initial pretrial conference on March 14, 2022.
3. Systel denies Mallard IP's claims. Nevertheless, the parties believe they have reached an agreement in principle to resolve this dispute.
4. So that the parties may finalize their agreement—and not take up the Court's time, or incur additional legal costs in the process—the parties jointly request that the Court:
 - (a) cancel the March 14, 2022 initial pretrial conference; and
 - (b) stay the case for 45 days.
5. The parties expect to file a stipulation of dismissal with prejudice by then.
